No citizens wished to speak.

A PowerPoint presentation was made by M. Carlson on the 2008 Proposed Budget. Budget information was available for the public. An overview of the 2008 budget was given. It was stated that an additional \$23,246 in state aid will be obtained. The Council will need to determine where this should be appropriated in the 2008 budget. A tax example if the budget is adopted as proposed using a sample property was given.

Department heads were present to answer any specific questions that the public may have.

Budget consideration will take place at the Common Council meeting to take place on December 3, 2007.

Terry Zignego, Library Director, was asked how much money was being taken out of the fund balance to make the library budget balance. This amount is \$29,400 and was due to an oversight due to the transition of Library Directors.

Any amendments to the budget would need to be made during the motion for the proposed 2008 budget.
