

CHRISTMAS TREE DISPOSAL

The City's garbage collection contractor – Veolia Environmental Services – will pick up Christmas trees as part of the regular garbage pickup. The trees must be six feet in length or smaller. Any trees larger than six feet will need to be cut into sections that are six feet or smaller for the garbage contractor to take it. If you have any further questions regarding this Christmas tree pickup service, please contact Veolia Environmental Services at (262) 367-6040.
